## Paleta de Cores

**#008B91**

**#3D989B**

**#737373**

**#BBE5E1**

**#0F5C60**

Por ser uma cor ligada à natureza, ela transmite equilíbrio, tranquilidade, saúde e vitalidade.

# Projeto Logo

Sensor para monitoramento de Vacinas

## Paleta de Cores

Além da sua ligação com as áreas da saúde, tons frios representam a temperatura ideal de armazenamento das vacinas
